Good Afternoon,

We are working on coordinating dates to reschedule next week's meetings. The hotel is willing to move our reservations, at the per diem rate, to either the week of November 30th or the week of December 7th in San Francisco. Are you available either of those weeks to attend a proposed rescheduled Tronox Meetings? Please let me know if you have any questions.

Thanks

Good Afternoon,

I understand from your office that you are out of the office today. I wanted to get the message to you that due to Region's 6 & 9 response to the **Gold King Mine Release, next week's Quarterly/Tronox meetings are going to be rescheduled. We will work on rescheduling both meetings.**

Thanks
